# BRIDGE RAN AWAY WITH OCTOBER STAKE

Bratton's Fast Gelding Was 8 to I and Beat Hilee, 1 to 3, in Easy Fashion.

## BRANCAS CANTERED HOME.

Big Gerst Colt Romped Away From Miss Crawford-Huckleberry Finn Won at Very Long Odds.

Bridge J. S. Bratton's wonderfully fast horse by St. Julien-Brooklet, ran away with the October Stake at the Fair Grounds yesterday. He was the extreme outsider in the betting, \$ to 1 being laid against him. Lady Strathmore ap le was second, and Hilee, at 1 to 5, was last. Thus the history of local three-horse races. which is that the long shot shall be first and the (avorite last, prevailed.

Hridge shot out at the start and ran

an apparently inconceivably fast quarter. though the timers say it was only 34. At the end of the quarter he was running so fast that all you could see was his bas

so fast that all you could see was his bay back and the colors on Jockey Boyd's back.

He led Hilee by ten lengths into the stretch. Many thought that he would stop to nothing, as he was wont to do in the spring. He did slow up a lot, but he had run his pursuers diany trying to keep within halling distance, and eventually won by three lengths, pulled up. Lady Strathmore best Hilee for second place. The latter scenedato have all the heart taken out of him.

BEANCAS IN A CANTER.

Brancas at evens won the third race.

Brancas at evens won the third race from Miss Crawford, the second choice, in a gallop, by five lengths. Folles Bergeren

a gallop, by five lengths. Polles Bergeres and Ben Adkins set the pace and both stopped. Then Brancas loped in. Crawford finited up well and stontly. Calvit gave her a good ride.

Stand Pat, who sold at the Belle Meade sale in the paddock in the morning to T. P. Hayes for \$2.700, was a 5-to-5 favyorite in the fifth race. Filintheck at 2s beat him handily, and Mallory, whom Mr. Sloan claimed from Mr. Beanett for \$700, also finished in front of him. Pat set the pace. Mallory followed classly. Filintheck trailed away back—so far back that no one thought that he had a chance to win. The other tired a bit, and J. Taylor brought Finitheck up as he did. The Bobby, the day previous, gave him a strong ride, and won. Taylor began riaying with the other boys at the finish, and Mallory came with a rush and simest bent him.

But for some interference from Stand Pat, Mallory would have won. Indeed

bent him.

But for some interference from Stand
Pat, Mallory would have won. Judge
Brady gave Taylor a severe lecture, and
told him be would be set down for a repetition of his tomfoolery.

Last Knight, at T to 10, won the last
race. He was last to the six furlongs,
then ran around his field with case. Dan
Lamasney ran him up from \$550 to \$1,500,
and got him.

Radolint ran a race in this event that will be worth remembering. Austin gave her an awfully bad ride throughout, took her back, let her come again, then took her back again, and messed her generalty. She wall be worth watching in the stake race to-morrow.

Siddara, at 8 to 1, ran away a quarter

stake trace to-morrow.

Siddara, at 3 to 1, ran away a quarter before the start of the first race, jumped the fence, threw Jockey Sayers, but was recaptured and remounted; got the best of a running start, showed a lot of speed and won. Klowa Chief and Harbor got to him at the stretch head, but thred, and Siddara won. Sayers was so shaken up that he could not ride his other mounts.
